

FINANCE CLUB

The club fosters an environment of discovery of recent trends and developments in the field of finance and provides a comprehensive understanding of the finance industry.

Finance club prepares students interested in finance-related careers with various resources, tools, and guidance catering to a wide range of finance-related interests, including investment banking, private wealth management, sales and trading, and corporate finance.

Vision

Our vision is to promote financial theory and practice in such a way that it becomes a part of one's life. We hope to provide an opportunity for students to improve their understanding of the intricacies of the world of finance and foster an environment where they can learn, share, participate, organize and network with industry.

Mission

The club aims at providing a pathway for smooth transition of the students from class to the corporate world.

OBJECTIVES

1. To provide a comprehensive understanding of the finance industry.
2. To provide learning opportunities to understand financial jargons / terms and Mutual Funds.
3. To foster an environment of discovery of recent trends, Budgets and developments in the field of finance
